Greetings Fellow Morrisites,

It is my distinct pleasure to greet you as your national alumni president. Thank you for your continued support and commitment to Morris College National Alumni Association. Your contributions through donations, memberships, scholarships, recruitment and participation have been tremendous and greatly appreciated. It will take all of us giving our best in the most professional manner to move the MCNAA forward.

We are now planning for another exciting year of activities for the association. I encourage you to visit the Morris College website. Make sure that you visit the MCNAA webpage. Our new webpage will keep you informed of current documents, plans for special events, such as Telethon, Homecoming, Alumni Weekend and updates concerning the association. We want to provide you with a wealth of valuable information as it is developed in a timely manner.

MCNAA belongs to you. Please join your local chapter, pay your membership dues, participate in the annual fundraising campaign and attend your meetings and conference.

As true Hornets, let's continue to share the message about our great school. I solicit your continued prayers as we move forward making a significant difference in the lives of our students.

With Hornet Pride,

Barbara R. Jackson

Barbara R. Jackson '72
MCNAA President
